In re application of William Wold :
Serial No. : 09/111,911 : **DECISION ON PETITION**
Filed : July 8, 1998 :
Attorney Docket No.: 16153-5587 :

This is in response to applicant's petition, filed November 4, 2003 under 37 CFR 1.181, to enter the amendment after final rejection which was filed October 4, 2002. The delay in acting on this petition is regretted.

Applicant argues that the amendment after final rejection should be entered because, based on the examiner's position set forth in the final rejection, the amendment puts the case in condition for allowance. After review of the file history, the examiner agrees.

Applicant's petition is **GRANTED**.

The application will be forwarded to the examiner for prompt issue of a notice of allowability.

Any request for reconsideration or review of this decision must be made by a renewed petition and must be filed within TWO MONTHS of the mailing date of this decision in order to be considered timely.
